### 6. The Gates Hotel Key West

Highlights include Rum Row—the hotel's lively pool, bar, and lounge with locally-sourced nibbles as well as a permanently parked food truck and The Blind Pig, which serves "Conch fusion" small bites and tapas. Opened in 2015, this is Key West in a different vein and includes special, guest-only tours of the Key West First Legal Rum Distillery and Rodriguez Cigars. Bicycle and scooter rentals are available to reach downtown, or there is a complimentary shuttle.
