

## Speaking The Local Language: Andrea Henzlik

Meet **ANDREA HENZLIK**, the founder of **Andrea Henzlik Design**, and this month's 'Local Language' shopping spotlight!

Having just recently celebrated her tenth anniversary as the founder of her own eponymous interior design firm, Andrea Henzlik is a master of form-fitting, functional living. Having most recently demonstrated her craft with the design of **The Gates Hotel Key West**, it's easy to note Andrea's penchant for classic, coastal inspired style, translated in a way that feels both fresh and forward. Below, Andrea divulges the must-shop spots to visit while in her native Atlanta, Georgia, with a bonus entry marking the most notable gallery from her time spent in Key West, Florida!

### DE LA GALLERY

419 Duval Street  
Key West, Florida 33040

You can't come to Key West without making a stop at the immaculate DE LA Gallery. Located on legendary Duval Street, the inspiring gallery of Jorge de la Torriente is filled with photography that draws you in and leaves you wanting more. His pieces merge nature, architecture and minimalism and served as my 'key' inspiration for the entire Gates Hotel.

### MORGAN KYLEE BOUTIQUE

3273 Roswell Rd.  
Atlanta, GA 30305

Morgan Henzlik, the owner of Morgan Kylee Boutique, is not only my daughter, but one of the most chic and creative women you'll ever encounter. Morgan believes style should be strategic but effortless, which is perfectly portrayed in how she buys for her elegant shop. At any given visit you will find an eclectically chic collection ranging from classic dresses to distressed leather jackets. Morgan Kylee is home to some of the most sought after lines in the fashion industry as well as under-the-radar labels that Morgan scours the globe for. She also has a beautiful collection of curated items for the home.

### SCOTT'S ANTIQUE MARKETS

3650 Jonesboro Rd.

Scott's is a collection of vendors from all over that has grown into the largest monthly indoor antique show in the world. Everything from furniture, rugs, art and vintage furs and jewelry can be found in this massive warehouse meca. Whether I go with a specific client in mind or just for a modern day treasure hunt, I always end up leaving with one-of-a-kind pieces.

MACRAE**

The expansive Atlanta Decorative Arts Center (ADAC) houses numerous beautiful showrooms, and is now open to the public.
